Becoming a Family Day Care Educator with Mission Australia Children's Services

Mission Australia Children's Services (MACS) are currently extending their service and are therefore looking for suitably qualified and passionate Early Education and Care Educators to join our team.

Do you…..

- Hold a Certificate three or Diploma in children's Services or are you currently working towards these qualifications?
- Are you passionate about providing quality education and care to children in your home environment?
- Do you want to be part of a supportive, dynamic, professional team?

Then we would love to hear from you…..

Contact the MACS team to discuss your interest in becoming a FDC educator on 03 6424 4855 or attend our information night on Monday 26th November @ 6.30pm. 32-26 Valley Road, Devonport.

Family Day Care with MACS

Choosing Family Day Care with MACS means you are choosing quality care and education for your child within a smaller group setting in a warm family environment.

Our Educators are qualified, experienced, passionate and are available in many areas along the North and North West Coast.

Contact the MACS team to discuss your child care needs on 03 6424 4855
