Supporting your personal journey towards training, education, employment and improved life skills

At YFCC we know issues such as accommodation, mental health, self-care, living skills and your general health and wellbeing, can make it hard to secure a job. The Fit For Work project is here to help **you** through those issues.

A Project Worker will work with you **one-on-one** to learn a range of life skills and help with any issues that may be holding **you** back from getting a job.

We'll also work with you on jobseeker skills **you need** to ensure you are work ready, including how to apply for jobs, interview skills and making sure your resume tells **your** story.
