

**Youth, Family and Community Connections Inc. is seeking  
Expressions of Interest  
for an *Integrated Family Support Services Worker***

Youth, Family & Community Connections Inc. is a local Not-For-Profit Community Organisation providing a range of health and wellbeing services for young people, individuals, families and communities throughout the North and North West Tasmania.

YFCC is currently seeking expressions of interest for a role within our **Integrated Family Support Services (IFSS)** team.

The IFSS team work collaboratively to provide intervention strategies tailored to families with high and complex needs. The IFSS team work with families where there are at risk factors present for children, young people and their families, with the aim to minimise involvement with Child Safety Services.

Candidates for IFSS roles must have a degree in social welfare or relevant discipline. Experience in working with 'at risk' families and children will also be considered favourably.

YFCC is a child safe organisation. All applicants must provide a current Driver's Licence, National Police check, Working with Vulnerable People registration, Qualification records and current Referees. Applicants must also be willing to undergo a pre-employment medical.

Remuneration is in accordance with of the Social, Community, Home Care and Disability Services Industry Award 2010 commencing at Level 5. Salary sacrifice, a vehicle and a professional development provision are also available. Tenure of positions within the Family Support Services team is subject to funding.

**How to Apply:**

Provide your resume, cover letter, and address the following two questions (300 to 500 words each):

- What has interested or motivated you to apply for this role?
- What skills, knowledge and experience will you bring to the role? (include an example)
