EMPLOYMENT SERVICES TEAM

costa
well grown

We are seeing the increase in seasonal employment opportunities and are supporting both COSTA and MADEC with information and registration sessions across Burnie and Devonport. Engaging with our participants and the wider local community.

The most recent COSTA event in Devonport was well supported both internally and externally with 20 people in attendance, to date 16 of these have secured a variety of roles with COSTA. COSTA look forward to working with us again in January.

Madec have appreciated the collaboration with YFCC and look forward to the up and coming registration day on the 15th December 2023.
